

11/21/2006 - Giraffentoast ? DAIM @ t*mix Project

"t*mix ? 1 shirt, 100 artists, 100 remixes"Already during the Levi's Roadshow collaboration DAIM worked with the guys from Giraffentoast who made a lovely 3D animation of one of his styles. This time, it was DAIM's turn to design a strictly limited t-shirt, as part of a series with many other renown street artists. You can check out the result at the website of Giraffentoast.
