

05/18/2006 - Frosty - T-Shirts

Brand new but already a classic ? an usual DAIMstyle at an unusual spot. For guys who like it a little less obtrusive without abdicating their piece. Calling that cool or Frosty really doesn't make a big difference. Weight: 165gr./m², Material: 100% Cotton, Print: 4-color

Available at DAIMshop.com
